HOMEOWNER DETAILS:

LENGTH OF MATERIAL GUARANTEE 10 years from and over date of the contract completion
5 years on labour

**DATE OF COMMENCEMENT OF
GUARANTEE:**

- This Guarantee is subject to strict compliance by the client with the conditions recorded below, this guarantee covers chipping, flaking, peeling or cracking of the material manifesting itself and brought to Terraco's attention in writing prior to the expiration of the guarantee period.
- This Guarantee provides for replacement as is warranted by reason of such chipping, flaking, peeling or cracking; applies only in the event that the material has been applied by Terraco or an official Terraco Applicator or Agent appointed by Terraco.
- This Guarantee applies only in the event that replacement of material is necessary as a sole and direct result of a proven inherent defect in the basic material of the product applied and not as a result of excessive movement of the substrate through settlement, extreme expansion and contraction, structural defects, excessive alkalinity or external mechanical or physical causes or Act of God.
- This Guarantee applies only if the specifications for the application of the product have been strictly adhered to by the Applicator or Agent

In the event that any remedial work is undertaken by a third party in respect of the product, or any other work, which affects the products in any fashion, such work shall invalidate this guarantee.

Should the client call upon Terraco in terms of this guarantee, and should Terraco be obliged to honor this guarantee, Terraco's costs shall be limited to the original contract value of the material pro-rated over the period of the guarantee or such amount as the parties may agree in writing.

This guarantee shall only become in force and effect once the client has approved the work undertaken by the Applicator in writing and Terraco has been paid in full for all materials supplied.

The client shall be obliged to notify Terraco in writing within 14 (Fourteen) days of any defect in the materials coming to their attention.

The terms of this guarantee form the sole recording of Terraco's obligations in respect of the quality of the materials.
